

Just imagine?

If every 'Toker' & user of the Marijuana/Hemp/Cannabis Plant chose to Vote L.C.A.-then we would have the majority in **NORWICH!**

but that aside- Did 'U' know?

The L.C.A. would RE-introduce the growing of the Hemp/Marijuana/Cannabis PLANT into our Farming Industry to Produce the following & MORE!!

MEDICINES PAPER FIBREBOARD FOOD
BIO-FUEL PLASTICS CLOTHING ENERGY

A Vote 4 Hemp-
is a Vote 4 Hope!
