

HEENE INFORMER

I would like to thank all Heene residents who have made me feel so welcome during this election campaign. I have received many telephone calls and letters, which all indicate to me that people have had enough of the old parties and their broken promises. On June 10th, if you use your vote wisely and vote for me, Sarah Chalk, we can say goodbye to the old parties and elect the local girl to represent you on the Council.

LET' SCRAP THE COUNCIL TAX

SARAH SAYS,

“ I have been listening to you, the Heene residents during this campaign, and I am aware of the anger that a lot of you feel about the ever increasing council tax. If elected, I would immediately seek to abolish council tax and replace it with a local income tax, based on ability to pay. This would mean that the majority of households would be financially better off in the Heene Ward.”
