Christopher S Philbin [also known as 'Herb'], 31, is disabled, divorced and has two children, aged 9 and 4.

“I, like so many people, have been content to sit on the sidelines. However, having spent the past several weeks watching, reading and listening to the supposed political pundits smirking about the Legalising cannabis Alliance, I feel compelled to shake off the cloak of fear and apprehension that accompanies going public with my beliefs.

I cannot see what is very wrong with a party that appears to be pro-Earth, pro-business and pro-freedom.”

Dear people,

I am a medical cannabis user.

My top three priorities are:

**LEGALISING CANNABIS FOR RECREATION
AND FOR MEDICINAL USE**

THE ENVIRONMENT

HUMAN RIGHTS

I am fed up with a stupid law against cannabis that denies people the right to choose a medicine of their own choice.

NO VICTIM NO CRIME
